Newmarket Camp Ends Long Career As Training Centre

No. 11 Infantry Training Battalion, Newmarket, will be closed down by the end of March, according to official word received by the camp commander, Lieut.-Col. Newton M. Young, on Wednesday.

Reports of an early close-down at the camp had been circulating this last week and last Friday, Newmarket town council held an emergency meeting to discuss the situation. It wasn't until yesterday, however, that the official order was known.

Reports late last year suggested that the camp would be continuing for some months yet as a training centre for interim army men.

The camp, situated on the Newmarket fair grounds and surrounding property, some of which is owned by the dominion government, has taken on the aspect of a permanent station with the construction of a large drill hall and other facilities.

The agreement between the government and the town includes a clause to the effect that the fairgrounds property will be restored to its "original contour" on the withdrawal of the military.

At the emergency council meeting Friday, it was decided that a committee of council, including such others as are necessary, will negotiate with the government over the purchase of camp facilities. It is pointed out that the drill hall could be used for recreation and other buildings might be used to help ease the housing situation and provide industrial locations.

The Newmarket military camp was instituted in September, 1940, as a training centre for active army personnel. In more recent months, it has served as a holding centre for men preparing for discharge. The present commanding officer, Col. Young, came to Newmarket in 1943.

Honor Miss M. Hill As She Leaves York Hospital Post

Miss M. Hill, superintendent of York County hospital since 1937, and whose retirement is effective today, was guest of honor at a dinner given by the board of directors of the hospital at Trinity United church last night.

Present at the dinner were members of the nursing staff, executive officers of the women's auxiliary, members of the Medical Association, and members of the board of directors. Presentations were made to Miss Hill by W. H. Eves, chairman of the hospital board, on behalf of the board, and by Dr. G. E. Williams, Aurora, on behalf of the Medical Association.

Joseph Vale introduced Miss Vera Pearson who will succeed Miss Hill as superintendent. Dr. G. E. Case introduced Dr. Kruger who will be the head of the radiology department of the hospital.

H. E. Lambert was chairman of the dinner. Gwen Lambert was guest sotoist.

Last Thursday, Miss Hill was recipient of a presentation by members of the general maintenance staff of the hospital. Included with the presentation, a lamp, was an address paying tribute to Miss Hill's ability in keeping the hospital operating at its high degree of efficiency despite the hardships imposed by wartime, with special mention to her work in supervising "the many details incidental to erecting, furnishing and equipping the new wing of the hospital."

On Monday night, the Newmarket Nurses Alumnae entertained in honor of Miss Hill at the home of Mrs. Alvin Hilts. Miss Hill was presented with a pressure cooker.

ART CLUB

At last Tuesday's meeting of those interested in art, it was resolved that a club would be formed and membership made open to all those actively or passively interested in the pictorial, plastic, musical and literary arts.

Pending a larger representation of all interested, no nominations or regulations were made. Those who have not been able to attend previous gatherings are urged to make a special effort to be on hand at the next meeting, Wednesday, March 6, at 8.30 p.m. in the room behind the council chambers over the firehall.

UNDEFEATED

Newmarket high school senior hockey team wound up its schedule last night by defeating Pickering College, 4-2. Tueday night Sutton tumbled before the N.H.S. squad, 5-3.

In the four-game schedule, N.H.S. was undefeated and will now represent the northern division of the group in the play-offs. To their record of four straight, the high school team can add two victories in exhibition games with Bradford and St. Andrew's College.

REV. LEONARD SPARKS RECALLED THREE YEARS

At a special meeting of the Church of the Nazarene Friday night, presided over by Rev. R. F. Woods, Ontario district superintendent of the Church of the Nazarene, Rev. L. E. Sparks who has served the local church for four years was unanimously recalled for another three-year period to expire in May, 1949. The church attendance has more than doubled since Mr. and Mrs. Sparks have been here and the church is at present at its highest tide since its beginning 11 years ago.

At the 11 a.m. service Sunday, the call was officially extended to Mr. and Mrs. Sparks and they both responded, accepting the call and pledging loyal service to Christ and the church.

BEGIN VISITATION

The men of St. Paul's congregation have begun a house to house visitation of the parishioners in the cause of the Anglican advance movement in conjunction with other Protestant churches all over the dominion to make this coming season of lent a real spiritual movement.

Lent begins next Wednesday, and on Friday, March 8, the women of all the churches will unite in a Women's World Day of Prayer service in Trinity United church at 3 p.m.

Sgt. Ernie Traviss has returned to his post at Halifax after spending a leave with his parents.

School Board Members Guests On Education Night

It is often forgotten that the word, democracy, means not only respect of the individual by the community but respect by the individual for the community welfare, R. H. Wallace, member of the secondary school inspectorate staff, told the Newmarket Lions club at the Tuesday night meeting of the club in St. Paul's parish hall.

It was education night at the Lions club and the school principals, members of the public and separate school boards and members of the high school board were guests. School pupils under the direction of John Lumiss sang two numbers in harmony.

Capt. W. O. Noble, recently returned from overseas, was welcomed back to the club.

Saying it would be well to clarify the conception of democracy, Mr. Wallace said that by definition, the term implies citizens who are active in the affairs of their community, intelligence, thinking with clarity on public matters, respect of the individual. "Democracy does not mean freedom to do as we wish, selfishness, lack of co-operativeness," he said. "The whole concept of human progress with its supreme concern with the individual, proceeds on the proposition of a master-plan of ultimate freedom and happiness."

CAMP CHAMPS IN MERCANTILE ON 25-9 TOTAL

By George Haskett

Paced by the scoring punch of their ace right-winger, Jack Life, Newmarket army captured the Newmarket and district mercantile league championship Monday in two straight heats. The army picked up the points last Thursday in the opening encounter 15 to 6 and came up with a powerful display to take the second game and championship from Jack McDonald's Vets 10 to 3.

Jack Life provided the necessary goals at the middle mark of the second period by the unassisted route, dashing the hopes of the Vets and started them on their way into the discard. The Vets came out of a speedy first session on the short end of a 3-1 count.

Terry Biocchi upped the Army score early in the second as he rushed in to build up a goal. Then the Vets gave their supporters something to cheer about with two fast goals. Harvey Gibney raced in, drew the lone Army defense operator out of the play and slipped the disc over to "Shorty" Wrightman. Shorty made no mistake with an ankle high shot past "Bing" Caswell. Twenty seconds later, Shorty "dood it" again, this time unassisted.

The Vets were on the march, when Jack Life came up with his two goals. The Army registered four more in the final chapter to build up their total without a reply from the Vets, but these were not needed as Life's tallies had done the trick.

The Army front line trio of Red Ingram, Terry Biocchi and Jack Life made merry with six of the Army goals, Life notching three, Biocchi two and Ingram one. Joe McNulty, big blue-line stalwart with the Army forces, set up quite a record in the two play-off games, firing in no less than six goals. "Bing" Caswell earned a star. He had a large evening in both games as he blocked, caught and otherwise turned aside the best directed efforts of the Vets to rival Mr. Zero himself.

Shorty Wrightman and his right-wing partner, Harvey Gibney, put on a superlative show and were on the attack all night, only to find "Bing" Caswell blocking the door. Burkholder, MacInnis and Bone had a busy evening, on behalf of the Vets, behind the blue line. It was a treat to watch Normie Legge stop an Army break away. Normie was the only one barring the way and tossed the body in the right direction at the right time. Incidentally, Normie is one of the most improved players in the league over the season.

When Pete Dillman in the Vets cage was injured late in the final period, "Mickey" Smith took over the net minding chore. Did right well too. It was good to see the old tannery flash back between the pipes.

The teams displayed their stuff, in the second game, to the cheers of the largest crowd of the year, 1,100 spectators being on hand. Actually this total was within 100 of matching the largest crowd at last year's Army-Navy finals.

Now it's the Army against the winners of the Aurora section. At the moment the Aurora teams, Zephyr and Ballantrae, are battling it out for their championship. Tuesday night they tied 1-1.

COURT AT 10 A.M.

At the suggestion of the crown counsel, Arleigh Armstrong, magistrate's court in Newmarket will begin at 10 a.m. instead of 10.30 as has been the custom lately.

BENEFIT GAME WILL FEATURE ALL STARS

A benefit hockey game for injured players is scheduled for Monday night, at 8.30 when an all-star team will play the Newmarket and district champions No. 11 I.T.B. team.

The all-star team will include players from other teams in the loop, and other leagues.

Executive Outlines Committee Duties In Recreation Group

At an executive meeting of the Newmarket Community Recreation Council Wednesday evening, the duties of the standing committees of the executive were outlined. A sub-committee was named to consider further the membership clause of the constitution, which was rejected at a previous meeting, with the intention of bringing in a revised clause for the consideration of the whole council.

The duties of the committees of the executive were outlined as follows:

Facilities committee, chairman, W. H. Bell. This committee will be charged with the listing of all facilities within the town, the schools, the churches, the town buildings, which are available for use by recreation groups, together with the names of the proper authorities which must be contacted to secure permission for use. It was emphasized that the facilities committee will not act as a booking agency. If, after the list of available facilities has been posted, an organization wants a meeting place, it need only consult the list and make its own arrangements.

Program committee, chairman, Fred L. Hall. The program committee will act in an advisory capacity where asked to, for existing organizations and participate in the organizing of new activities where it is evident that such activity would be needed.

Finance committee, chairman, Mrs. M. B. Seldon. The duties of this committee are to draw up a budget of operating costs.

Equipment committee, chairman, R. C. Morrison. This committee is charged with collecting equipment that might be used in furthering recreation activity.

Publicity committee, chairman, Mrs. N. L. Mathews. Through this committee a program of education and advertising of the aims and the advantage of the Newmarket Community Recreation Council will be launched among school children, church groups, etc.

In the formation of these committees, the chairmen of which have power to add to their groups, it was continually emphasized that the Newmarket Community Recreation Council was concerned with the encouragement and the co-ordinating of existing recreation activities, the sponsoring of new activities, but in no way intending to direct or otherwise interfere with existing programs.

WELCOME HOME FOR VETERANS SET MARCH 13

The town of Newmarket is sponsoring a "Welcome Home" banquet for veterans of the Second Great War on March 13 at the men's mess at the military camp. The banquet will begin at 6.30 and will be followed by a vaudeville show and dance in the drill hall.

Invitations are being sent out to all the men and women of Newmarket who served in the forces in this war. The banquet is for the veterans only with the remainder of the program open to wives and friends.

A tentative schedule for the evening is: banquet at 6.30; entertainment, 8-10.30; dancing follows. The vaudeville show will feature such stars as Pat Rafferty, Zena Sheavers, Jimmy Good, Red Newman, Frank Oldfield, Charlie Sawyer, and local talent.

112TH ANNIVERSARY SERVICES SUNDAY

Presbyterians in Newmarket will celebrate the 112th anniversary of the founding of the Presbyterian church on Sunday. In 1875, the name St. Andrew's was adopted, and the present church edifice was opened.

The guest speaker on Sunday will be Rev. Robert G. McKay, M.A., Moderator of the Synod of Toronto and Kingston. He has held several important pastorates, including Knox church, Walkerton, and St. Paul's church, Prince Albert.

The choir will render special music assisted by two guest soloists, Miss Jean Davis and Mrs. H. Beer.

DAVIS DRIVE NEW NAME FOR HURON ST.

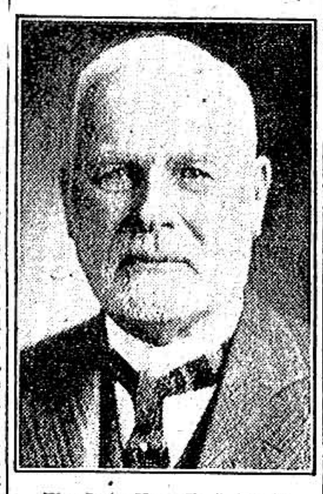

At a special meeting of the Newmarket town council last week, a resolution was unanimously passed changing the name of Huron St. to Davis Drive in honor of the three Davis brothers, and the solicitor was instructed to take the necessary legal steps to effect the change.

DAVIS FAMILY PAID TRIBUTE BY NEWMARKET

A reception and banquet was held by the town of Newmarket Monday night in Toronto in recognition of the retirement of Aubrey, Andrew and E. J. Davis, Jr., from the active management of Davis Leather Co. Ltd., which is effective this week.

Attending were representatives from industry, town and schools. Seated at the head table were the three guests of honor, J. A. Gairdner, president of the board of directors of Davis Leather Co. Ltd., and members of the Newmarket town council.

Mayor Dr. L. W. Dales reviewed the 42-year association

The Late Hon. E. J. Davis

between the town and the Davis Leather Co., paying particular tribute to the three brothers for the continual interest they have maintained in the welfare of Newmarket and expressing regret at their withdrawal from active management of the company, and good wishes for their future. He concluded his remarks by proposing a toast to the late Hon. E. J. Davis, under whose supervision the Davis Leather Co. was established in Newmarket.

Replying to Mayor Dales, Aubrey Davis recalled the years since the tannery was established in Newmarket, reading from a letter received by his father from the town clerk at that time, John Hughes, telling of the near-unanimous vote with which the ratepayers welcomed the tannery.

Mr. Davis said that he believed that boys brought up on farms had definite advantages over city-bred youths because of the heavy responsibilities they must shoulder at any early age, the initiative they must show and their willingness to undertake hard work. He referred to the decline of Bible teaching in the home and recalled how in his youth, Bible readings were an essential part of every home life.

At the conclusion of Dr. Dale's address, Joseph Vale, chairman of the meeting, presented Aubrey, Andrew and E. J. Davis, Jr., with framed addresses as a "lasting reminder" of the high regard felt by the town for the Davis family.

Little Billy LeDrew was taken to York County hospital Friday for an emergency appendix operation.

Presented By Town

The following is the text of framed addresses presented to the Davis brothers by the town:

"This address is presented by the citizens of the town of Newmarket to Aubrey Davis, Andrew J. Davis and E. J. Davis, Jr., who, in the year 1904, in association with their father, the late Hon. E. J. Davis, one-time minister of the crown, moved their small tannery from the village of Kinghorn in the township of King to the town of Newmarket and who, on March 1, are severing their connection with the tannery, now known as the Davis Leather Co., Ltd.

During the 42-year period they have developed their tannery to its present large proportions where they have become the largest tanners of calf skins in the British Commonwealth of Nations. In the course of that development, the town of Newmarket has experienced to the full the beneficial effects which accrue to a municipality which has as its industrial leaders men who evidence a regard not primarily for their own welfare, but for that of their fellow workers and the community.

"Because of their attitude, sanity and harmony has existed, and exists, in relations between labor and management in the town of Newmarket to a degree not experienced elsewhere; and as an inevitable result, the town of Newmarket, not torn by industrial and internal strife, has enjoyed to the utmost the co-operation of all its citizens in obtaining to an extent without parallel in any municipality of comparable size those facilities so necessary for the welfare and enjoyment of its citizens.

"Among their contributions to the community has been the donation of the magnificent new wing to the York County Hospital Corporation known as the Margaret Davis Wing and an enduring monument to the respect and regard they had for their saintly and revered mother, Margaret Davis, who knew and conquered the trials and vicissitudes of raising a large family in pioneer times.

"And perhaps therein lies their most outstanding contribution because the exemplary force of the regard and respect they have shown throughout their lives for their homes and families shall surely be felt in the town of Newmarket long after they shall have been called to their reward."

Pupils Tell Town Story At H.-S. Birthday Meeting

A detailed history of Newmarket given by the pupils of grade seven featured the February meeting of the Home and School Association at the King George school Tuesday night. It was the anniversary of the Home and School Association in Canada and the past presidents of the Newmarket association participated in a candle-lighting ceremony around a birthday cake.

Each past president, as she lit a candle, gave the highlights of her term in office. Participating in the ceremony were Mrs. J. C. R. Edwards, Mrs. N. L. Mathews, Mrs. W. H. Bell, and Mrs. M. B. Seldon. Mrs. H. E. Gilroy was absent as was the first president of the association, Rev. Burton Hill.

The grade seven pupils traced the history of the town from its earliest beginning, each pupil contributing a bit of history which in its detail showed evidence of much research. From the trading post days to its present flourishing state, the growth of Newmarket schools, churches and industry was told.

Principal H. A. Jackson's class, under the direction of John Lumiss, sang Now The Day Is Over. Following the program, refreshments were served.

FIRE CHIEF IS ILL

AIR CADETS TROUNCE CITY SQUAD 36-19

Newmarket Air Cadets trounced the 61st squadron, Toronto, in an exhibition basketball game at the Newmarket high school Friday night, 36-19. Following the game, a lunch was served the young airmen and their guests by Mrs. F. S. Thompson, Mrs. A. D. Evans, Mrs. W. J. Lockhart and Mrs. Harold Garrett.

The local squadron, under the command of Flt.-Lieut. Fred S. Thompson, is sponsored by the Newmarket Lions club. The cadets parade every Friday night at the school, sometimes through the week if necessary. Rifle practice, drill and games are all part of the program with a summer camp under their own officers provided each year.

John Pfeffer, 83, of Kitchener, father of Mrs. W. J. Hopkinson, Newmarket, died suddenly at his home last week.

THURSDAY, FEBRUARY 28, 1946

THE END OF AN EPOCH

At the end of this month, Aubrey, Andrew, and E. J. Davis Jr. will retire from active management of the Davis Leather Co. During the period of their long association with the company, they have presided over its development into the largest firm of tanners of calf skin in the British Empire. Theirs has been a proud record of achievement, the fulfillment in the fourth generation of a promise made early in the history of the province.,

Since 1904, when a near-unanimous vote indicated the desire of the ratepayers of Newmarket to have the company established here, the association between the town and tannery has been a happy one. The retirement of Aubrey, Andrew and E. J. Davis Jr. from active management marks the end of an epoch both in the annals of the firm and the history of the town. Aware of the deep interest and the abiding sense of responsibility which the three brothers have always shown towards Newmarket, the citizens of the town are able to look forward to the maintenance of the tradition of harmony and co-operation between town and tannery so firmly established during the past 42 years.

The years ahead are bright. We join with the citizens of Newmarket in the sincere hope that Aubrey, Andrew and E. J. Davis Jr. will find in the flowering of a nation to which they contributed so much, the fulfillment of their own lives.

THEIRS IS A HARD ROW

The other day we were talking to a flier who has just received his discharge after years of service. Now in his late 20's, he had enlisted following the completion of his third year in medical school. The years in which he would normally complete his schooling and establish himself in his profession, perhaps marry and begin raising a family, were spent at the controls of a bomber.

The flier wanted to continue at medical school but he had been away from text-books and laboratories for six years. It would be difficult to settle down, to resume the habit of studying after such a lengthy absence. Moreover, by the time he would receive his degree, he would be in his 30's. Because of his war service, he had two strikes against him when it came time to resume civilian life.

The government provides gratuities which, in this instance, would more than pay for the completion of his education. What the government can't do is to turn back the years so that the veteran can start where he left off with the habit of study, ambition, and the confidence of youth strong in him. The nervous tension under which he has lived, the strange lands he has seen, the grim sights he has witnessed make it impossible for the veteran to pick up six years later where he left off as a young man.

There are many veterans in the same position as the flier to whom we spoke. They will need all the assistance of which their families, associates, teachers or employers are capable. Theirs is a hard row to hoe. Their success in resuming civilian life will be measured not only by their own determination to overcome the handicaps their war service has imposed upon them, but also by the understanding they are met with by those around them.

WAR EQUIPMENT SHOULD GO TO SCHOOLS

Some weeks ago, we wrote of the efforts being made by the Canada and Newfoundland Education Association to have instructional material such as projectors, machine tools, etc., made available to schools on indefinite loan. Originally used for the training of Canadian servicemen, the equipment has been placed in the hands of War Assets Corporation for sale to the public now that it is no longer required by the services.

The C.N.E.A. presses for the indefinite loan of instructional material to the schools on these grounds:

Motion picture projectors, typewriters, hand tools, and other instructional equipment already bought and paid for by the people of Canada, can be used to excellent advantage in the schools. If they are sold, the gain to the treasury will be small in comparison;

The great majority of people in Canada place the welfare of education above any rigid adherence by the government to a sales policy; and although the dominion government may have no legal or technical obligation to benefit education, most people would agree at once that the government should use the people's property to help the schools;

If instructional equipment is distributed on indefinite loan, many school communities will realize for the first time the value of using motion picture projectors, of teaching typewriting, and of giving instruction in practical subjects. Local school authorities will thereafter maintain a higher standard in educational facilities to the benefit not only of education but of business and industry. There will be no depletion of the market for such instructional equipment, but an increasing demand for such equipment.

The federal department of labor has offered to pay 75 percent of the cost of replacing machine tools worn out in wartime classes with tools purchased from the War Assets Corporation. This is some measure of relief but it does not answer the needs of the schools for more instructional machinery, it only replaces what was already there.

The nub of the problem seems to be the short-sighted policy of War Assets Corporation in not permitting the distribution on loan to the schools of anything that is saleable. This rigid adherence to dollars and cents return on what has already been paid for by the people of Canada is standing in the way of increasing the effectiveness of our schools.

In Passing

If the implications were less serious, the stand that Russia is taking on the recent disclosures of an espionage ring operating in Canada would be ridiculous. Statements from that country place it in the position of a man caught trying to get into a bank at midnight and claiming that his capture is part of a plot to embarrass him.

Arriving at the office in the middle of Tuesday's snow storm, we found on the desk a series of colored post cards from Key West, Florida, sent to us by a vacationing friend. The following inscription was attached: "Don't you feel green with envy? We are here in our shirt sleeves and sweltering at 90 degrees. Going to the beach after posting this. Best wishes to the snow shovellers of the north." Now, this is the sort of thing that drives editors grey before their time. Right in the middle of the heaviest fall of snow all winter.

A few weeks ago, we told of the campaign by the Canadian Friends' War Victims Relief Fund. We are now told the Friends have been allocated 40 tons of cod liver oil for the purpose of relief in Europe. The appeal has now realized enough money to pay for the first five tons. It is extremely important that the remaining 35 tons should also be bought for shipment to Europe before the winter ends. Every contribution sent to the Canadian Friends' War Victims Relief Fund, 113 Maitland St., Toronto 5, will help to make this possible. There is no need to emphasize the value of cod liver oil as a supplement to the meager diet now obtained in Europe. It may mean the difference between life and death to thousands of people. Quaker relief units are now established in various countries in Europe. Cod liver oil is one of the six items on their priority list of needs.

GOSPEL ECHOES

By Rev. L. E. Sparks, minister of Church of the Nazarene

Thou hast a name that thou livest, and art dead
Revelation 3: 1

I am often grieved in my heart as I behold the worldliness and indifference of so great a portion of the professed church of Jesus Christ. The text above has reference to the Church of Sardis and states it has a reputation of being alive but Christ says "it is dead". Yet even here there was a faithful remnant, "thou hast a few names in Sardis which have not defiled their garments; and they shall walk with me in white: for they are worthy". Verse 4.

It would appear that here was another case of a despised minority. Probably these few godly ones were called "religious cranks" and "fanatics". But Jesus championed their cause. They, and only they, were worthy to walk with Him. Why? Because they had kept their garments undefiled.

A party of visitors were about to descend the shaft of a coal mine. They were advised to dress appropriately for the trip. But there was one young maiden in the group who was wearing a fine dress. She remonstrated with the guide. "I can wear my white dress into the mine if I want to." "Yes", replied the man quietly, "but you can't wear a white dress out again." That ought to settle the problem with regard to many worldly amusements that are considered "harmless". They leave their spots.

Yes, until the church quits its compromise with the world and lives a separate life and professors of Christianity live above the world and sin with hearts made pure and garments white and Christ enthroned within, this poor old world will continue to rot in its sin and revivals of religion will be things of the past.

I join with all others who believe in a manifestation and demonstration of Divine Power and who pray for more of the presence and power of the Holy Ghost in our churches and lives in order that revival fires will blaze up and down the country, fires that all the devils in hell will be unable to quench.

Young Hopefuls

By DOROTHY MUIR BOWMAN

Anger

Emotion is a disturbed state of the individual. If one hasn't a way of adjusting to the situation, he becomes emotional, angry, or even in a rage. The peak of temper tantrums is the age of three. It is a healthy sign before the age of five. Temper tantrums are easier to deal with than sullenness or bitter, resentful attitudes toward parents. Temper tantrums are really very interesting although we want to get the child past that phase before he becomes an adult. Anger indicates loss of control. Make sure it never works. Know what caused it. Some tantrums are for the sake of getting attention in which instance it is advisable to remove the audience. Sometimes the child stages a tantrum to get something besides attention. Our habit of saying 'no' before examining facts or being deaf to children sometimes causes temper tantrums.

1. Plan that the child's reasonable needs are met and even anticipated. 2. Provide sufficient outlet in activity. 3. Protect from bad emotional habits in parents. 4. Look for underlying causes, ignore temper tantrums. 5. Causes might be irregular or faulty routine, requirements that aren't fair, insistence on minor unimportant points, interference with child's free time, failure to understand child's activities, interfering with child's activities too often, maybe a beginning infection; reduction of resistance, or the child may be hungry or tired.

Temper tantrums usually occur before the noon meal when the child is hungry or in the late afternoon when he is tired. The child should learn how to relax and rest for ten minutes before his noon meal. The child can also be helped to learn more effective means to get what he wants.

Send your questions to Mrs. Dorothy Bowman, P.O. box 144, Newmarket.

YORK COUNTY JUNIORS HAVE SKATING PARTY

A successful skating party was held by the York County Junior Farmers' Association in Aurora arena on Thursday, Feb. 21. A large crowd of juniors assembled from all over York county to participate in the annual event despite the zero weather.

As an innovation this year, the juniors engaged the Aurora Citizens' band and reduced the number of novelty events during the evening's program. The only race, a relay race, was won by the Unionville club with Isobel Murison, Mona Sabiston, Wally Reesor and Lorne Dimma participating. Sharon and Virginia clubs were close contenders for high honors.

The Association is holding its annual meeting at Newmarket on March 21.

An open letter to all Ontario Citizens

THE CANADIAN RED CROSS SOCIETY
ONTARIO DIVISION

For six years of war the splendid support given to the Red Cross by Canadian citizens enabled the Society to do those things for our Armed Forces, our Prisoners-of-war, and for civilian war sufferers throughout the world, which many times meant the difference between life and death, and always brought comfort and mercy where and when it was most needed.

We ask you, through your membership, to keep your Red Cross strong in peace as in war, for the continuing benefit of our Canadian people.

Where your membership helped to save lives in war—it can save lives in peace, through the proposed new Blood Transfusion Service, through the Outpost Hospitals on our isolated frontiers. It can bring mercy and comfort to our gallant disabled veterans and to our crippled children. It can bring health, happiness and comfort to our people generally through the Society's many other humanitarian efforts.

There will be no campaign for funds in 1946—but there is a vital need for a large and virile membership so that we may be able to do for our own people in peace what we were privileged to do for them in war. With your help this can be done. Join the Red Cross for 1946—Minimum membership fee is one dollar. Your local Red Cross Branch will provide further details.

YORK SEED FAIR MARCH 15

Plans have been completed for the holding of the tenth annual York County Seed Fair at Richmond Hill on Friday, March 15. Judging from the prize list, the 1946 fair should be the best yet. Entries for the various classes close on March 12.

In the commercial classes of seed grain there is no government grade required on the exhibits this year owing to the difficulty of securing these grades in time in the spring rush. However, in the small seeds, the grade will still be required as it is impossible to properly appraise samples of clover and grass seeds at the fair.

The registered seed classes this year will be ten bushel lots graded and sealed by government inspectors. As these ten bushel lots of oats and barley will be sold by auction at 3.30, the seed fair committee thought ten bushels would be a more desirable quantity for farmers to sow a seed plot. Entries or requests for prize lists should be sent to W. M. Cockburn, agricultural representative, Newmarket.

Mr. Donald Nelson, Kirkland Lake, spent Saturday with Mr. and Mrs. George Duffield. Master "Buddy" Nelson, who has been visiting his grandparents, returned home with his father.

Cpl. Kenneth McDonald, No. 2 District Depot, Toronto, spent the weekend with his parents, Mr. and Mrs. Duncan McDonald.

WITH THE CHURCHES

Rev. Roy Hicks is conducting church membership classes and it is expected that the church membership ceremony will be held on Sunday, March 31. Classes are held at 12 o'clock each Sunday until 12.30, and on Monday evening from 7.15 to 7.45. A class is held at St. Andrew's College each Tuesday from 6.45 to 7.15 p.m.

Trinity church W.A. held a sewing meeting in the parish hall on Tuesday afternoon.

Photochrome photos on "They found the church there," taken in the South Sea Islands, were shown at Monday evening's meeting of Aurora United church Y.P.U. Shirley Saigle, the missionary convenor, was in charge of the meeting.

Aurora United church C.G.I.T. group held a "Mothers' meeting" on Wednesday in the church parlors.

Trinity Anglican church parochial guild met on Tuesday evening at the home of Mrs. Leland Bryan.

MRS. GEORGE EVANS HAS 92ND BIRTHDAY

A trio of well-known Aurora residents celebrated birthdays quietly but all in fairly good health this week. They are all looking forward to the coming of spring. Their combined ages amount to 258 years.

Mrs. George Evans, Edward St., celebrated her 92nd birthday on Tuesday. She has resided in Aurora for over 50 years and, while she seldom goes out now, enjoys fair health and is able to perform most of her household duties.

George Sisman, Spruce St., celebrated his 84th birthday. He looks forward eagerly to lawn bowling and rose growing, which occupy most of his time now. He is skilled at both. Mr. Sisman was an expert painter and is now retired.

Thomas Graham, Centre St., well-known Aurora carpenter and builder, is still active for his age at 82. He is especially happy this year for both his sons are now returned from the armed forces. WO1 George Graham was a prisoner of war in Germany for over two years and Pte. Willard Graham served on the west coast with the army.

SEE TORONTO GAMES

A number of Aurora high school students and basketball followers attended the Rotary club basketball games at Maple Leaf Gardens, which featured Dow A.C. and Hayes Hellcats, and U. of T. and Assumption College. Among those who made the trip were Gordon Lee, Hugh Cousins, Peter King, Miss Aileen Belyea, Miss A. Sinclair, Ruth Knowles, Charlie McNaught, Howard Patrick, June Caulfield, Harold Corbett, Jack Monkman, David Urquhart.

BETTY JENNINGS IS ORATORICAL WINNER

Betty Jennings won the oratorical championship on Friday at Aurora high school. Her subject was "Atomic energy — a major world problem." Joan Crysdale, who spoke on "Modern Literature," took second place, and Ross Donovan, who spoke on "Dr. Albert Einstein and the theory of relativity," was third. All three winners and their fathers and Principal J. H. Knowles and Bruce Underhill, president of the high school literary society, were guests of the Aurora Lions club at their annual "stunt night" on Tuesday evening. The Lions oratorical contest committee, under the chairmanship of Archie Cousins, presented prizes to the trio of youthful speakers.

Miss Crysdale declared modern literature in the years to come would rank as high as that of any other era. "Never before have readers of all classes of literature such a wide diversity of choice, by way of books and periodicals," she said.

Ross Donovan deprecated the fact that so few people knew with what to associate Dr. Einstein, "the world's greatest mathematician and physicist." He deftly illustrated the relativity theory with practical examples.

"There is no defence against atomic energy," declared Betty Jennings, who traced the history and development of the atom bomb. The possession of the greatest supply of uranium made Canada a focal point in the "greatest modern scientific advancement," she said.

Judges were Wilfred Adams, Mrs. J. D. Wilcox and T. A. M. Hulse. The contest, so far as points and ability were concerned, was one of the closest in many years.

NO MEAT ON FRIDAY, BANQUET POSTPONED

Owing to the difficulty of obtaining sufficient fowl and because Friday is a meatless day, it has been found necessary to change the date of the civic banquet and presentation to Aurora ex-servicemen and women from Friday, March 15, to Thursday, March 22.

St. Andrew's Presbyterian church ladies have agreed to handle the catering for the big event and have arranged an attractive menu. The entertainment committee will bring to Aurora an all-star variety show that, they feel, will surpass anything ever seen in town.

Invitations are being prepared and Mayor Ross Linton and the committee in charge are anxious that those who will attend advise the committee in plenty of time so that catering and seating arrangements may be handled smoothly.

PAST GRAND MASTERS WILL VISIT LODGE

This evening, United Empire L.O.L. 643 will be honored with the presence of Rt. Wor. Bro. Loftus Reid, Rt. Wor. Bro. Charles Carrie, and Rt. Wor. Rev. W. L. L. Lawrence, all past grand masters of Ontario west, and representatives of all lodges in North York at a county rally presided over by Wor. Bro. A. N. Fisher.

IT'S THE GIRLS' TURN

Aurora high school students are holding a Sadie Hawkins dance on Friday evening.

Community Teamwork Hope For Mankind, Board Of Trade Told

"Community teamwork, in its broadest terms, is the only hope for mankind," declared Frank Dowsett, labor management counsel of Toronto and Woodbridge who addressed the Aurora board of trade on Thursday evening in Trinity parish hall.

"After the Great War we said, 'It can't happen again' and agreed to look after our returned men," he stated. "Selfish interests and poor planning brought about another war and saw unemployed war veterans sleeping in the shadow of monuments bearing the words 'Lest We Forget'.

"Cynicism and materialism are even now rampant after the experiences of the 1939-45 conflict with evidence of its brutality still fresh in our minds. Man still talks as though force was the only means of stopping wars." Idealism, he declared, is better than force. "Many say one of the results of the war has been to make all countries realize they were close neighbors," he said. "This might be true geographically but, mentally, in our conceptions of right and wrong, in our political ideals, we are still miles apart."

The study of the past, he felt, could provide the key for the future. Pointing to the advancement in science, medicine, communication and the art of warfare, he said, "Man's inventive genius has outstripped his intelligence to use these improvements beneficially and for all mankind." Atomic energy could now annihilate civilization if not properly used, he stated. He preferred the visions of Lord Tennyson in Locksley Hall to those of H. G. Wells. Tennyson predicted all the advancements that had been reached but did not take a gloomy outlook. Wells, in his book, The World Set Free, had foreseen atomic energy by 30 years or more and looked on it to bring the end of the world, he said.

"The parliament of man, the federation of the world," as optimistically visioned by Lord Tennyson, was, he felt, the real solution to world problems. Lack of understanding prejudiced this possibility, he thought. Constructive co-operation and the willingness to meet others half way and try and understand their viewpoints could make it a success, he said. "The U.N.O. is mankind's great opportunity. We cannot afford to have it fail. Tomorrow is in our hands."

Mr. Dowsett was introduced by A. E. L. Maughan who also introduced Lieut.-Commander Brian Lowe of the British navy who accompanied Mr. Dowsett to Aurora. L. C. Lee moved a vote of thanks to Mr. Dowsett which was enthusiastically endorsed by the members.

President Dr. E. J. Henderson was in the chair and introduced the new members of the association. Tribute was paid to the community efforts of Rev. Canon F. J. Fife during his sojourn in Aurora.

Rev. Canon F. J. Fife Bade Farewell By Congregation

Citizens from all walks of life and from all church congregations in town joined with members of Trinity Anglican church in bidding farewell to Rev. Canon F. J. Fife and Mrs. Fife and greeting Rev. and Mrs. R. K. Perdue on their return to the parish at a large meeting held in Trinity parish hall on Monday evening.

Lorne C. Lee, rector's warden, presided. Barbara MacGirr presented Mrs. Fife with a bouquet of flowers and June Billing similarly honored Mrs. Perdue. Wilfred Adams paid tribute on behalf of the parish to the stewardship of Canon Fife and expressed regret at his departure. William MacGirr, people's warden, presented Canon Fife with a substantial cheque from the parish. Canon Fife expressed his appreciation for the co-operation he had received and said he would always have pleasant memories of Aurora. Lieut.-Col. C. R. Boulding, E.D., introduced Rev. Capt. R. K. Perdue and welcomed him back to Aurora. He presented a desk and reading lamp to Mr. and Mrs. Perdue on behalf of the parishioners.

A short musical program was provided with Mrs. Wilfred Adams, Fred Southwood, Malcolm Hill and Fred White contributing soloists. Mrs. Boulding and John Willis were accompanists. A buffet supper was served by members of the parochial guild. The event was one of the largest in the history of the church, which is now in its centenary year.

Urges Reforestation To Preserve Soil, Water Supply

John F. Clarke, noted horticulturist, addressed Aurora Horticultural Society on Monday evening in the I.O.O.F. hall on trees.

Mr. Clarke's address was illustrated by colored slides. He outlined the vast economic uses of trees, declaring that from the time a person was rocked as a child in a wooden cradle, until carried to his last resting place in a wooden coffin, there never was a day when we were not vitally dependent on trees.

He made a strong plea for reforestration as a menas of preserving soil, water supply, wild flowers and wild life.

Cecil Adair presided and Mrs. William Garfat gave a recitation. A lunch was served after the address.

QUALIFICATIONS SET FOR NEW POLICEMAN

The Aurora police committee has determined the qualifications they desire in a new full-time constable. Council on Monday approved the qualifications and set March 15 as the last date for filing applications. The appointment will likely come up for ratification at the April meeting of council.

The police committee, composed of Mayor Ross Linton, Deputy-Reeve A. A. Cook and A. N. Fisher, pretty well followed the pattern used by the city of Toronto in selecting police constables.

Only overseas war veterans in good physical condition, between the ages of 21 to 29, will be considered. These men must not be shorter than 5' 10½," and weigh about 165 pounds. They must have at least two years high school education.

Salary was set at $1,560 per year. Duty hours are eight hours a day on active patrol and four hours a day on call. Specific duties are to be listed by the committee when they have made their choice.

Under present salary rates Chief Constable Fisher Dunham receives $1,637 per year, plus car allowance, payment for outside trips and uniform. He is on continuous call, with patrol duty at night and in the early hours of morning.

GUIDES ATTEND CHURCH

Aurora Girl Guides, under the command of Miss Betty Cody, attended divine service at Trinity Anglican church on Sunday evening.

HORSE SHOW EUCHRE, DANCE, IS SUCCESS

The Aurora Horse Show held a successful euchre and dance in the high school auditorium on Friday evening. The guests were welcomed by President Elton Armstrong and other officials. The large crowd enjoyed a gala evening.

Euchre prizewinners were: ladies, Mrs. Harry McBride, King, Mrs. William Hare, Temperanceville; men, Aubrey White, Arthur Bovair. Mrs. James Gilham won the lucky spot prize.

The Aurora Melody Makers provided the dance music. Frank Teasdale convened the committee in charge.

SPEAKS TONIGHT

Inspector O. M. McKillop will address a public meeting in Aurora high school this evening, Feb. 28, at 8 o'clock on the subject, High School Districts. This will give the ratepayers an opportunity to understand this important subject now before municipal, county and department of education officials.

POSTPONE PLAY-OFF

The Ballantrae - Zephyr play-off, scheduled for tonight has been postponed until Tuesday night, according to word received this morning.

September Of 1947 Said Earliest Date New School Ready

The earliest possible date under existing conditions that Aurora can have a new public school of the type desired is September, 1947, according to Forsey Page, Toronto architect engaged by the Aurora public school to draw plans for a new school.

On Monday evening a joint session of the Aurora town council and the Aurora public school board discussed the board's request to council to obtain permission from the Ontario municipal board to issue debentures for a new school up to $250,000.

"We are all agreed a new school is needed but we would like to know what we are getting for our money," said Mayor Ross Linton. "We have not decided ourselves on all the details," said Dr. C. J. Devins, chairman of the school board. "We have our architect here, Mr. Page, who will explain the general plan. We said 'up to $250,000' to cover all possibilities. It is the principle we want endorsed. We want to know the council will ask for permission to issue debentures. Otherwise we would have to take steps ourselves."

Clerk A. C. A. Willis reported that he had been in touch with Alfred J. B. Gray, deputy-minister of the department of municipal affairs, and Mr. Gray had stated four steps would have to be taken. 1. Secure a permit for the steel needed. 2. Submit plans to the department of education for approval. 3. Ascertain what spread of years the department of education would recommend and approve for the issuance of debentures. 4. Give two readings to the by-law in council and then forward it to the municipal board for approval.

Dr. Devins reported that negotiations had been started with three property owners on Mosley St. whereby 100 feet from the rear of each of their properties would be available to the board. W. S. Gibson and Co. had made the survey but no price had been agreed upon. He thought possibly a nominee from the owners, one from the board and a third could agree on the price. The owners would all have plenty of land left for their needs, he said. It might be necessary to take expropriation proceeding to secure a parcel of land on Victoria St. north of the school owing to legal entanglements and negotiations were underway for the acquiring of another property, he said.

Queried by Reeve C. E. Sparks, Mr. Page gave as his opinion it would be possible with the addition of the lands proposed to erect a one-storey school if the board decided they wanted that type on the land available. "The present site is inadequate for playgrounds for the school population but Aurora is fortunate in having a good park close at hand which can be utilized," said Mr. Page.

Mr. Page submitted a sketch showing a one-floor school facing on Victoria St. with 12 rooms and a possible extension to 14 rooms. If this plan was followed the new school could be built north of the present school and containing classrooms only, he said. Then when the transfer of pupils was made, the old school could be wrecked and, facing on Church St., connected with the new building, would be the offices, auditorium, gymnasium and main entrance, Mr. Page pointed out. If, however, the board decided to build the whole thing in one stage, there would still be room to build the new school without disturbing the old school, although the two buildings would come close together. A two-storey school would leave more room for playgrounds. As to cost, that would depend upon what the board wanted but there was actually little difference between a one-storey and two-storey type school generally approved by the board, he said. "The details of the school are for the board to decide. We are not all of one mind as to the plans yet. We have much to consider," said Dr. Devins.

Following a lengthy discussion during which council members generally approved the plan for a school but still wanted more details, the two groups agreed that the school board would settle all the details and Mr. Page would draw rough blueprints. These would be submitted to the department of education in about 4 months' time for general approval. Following this, if approval was forthcoming, the board could order steel. The next step would involve the issue of complete plans and these in turn would receive departmental approval. Then council would pass two readings of the bill and if permission of the municipal board was received, tenders would be called for. If all goes as planned, work might get underway in September. Mr. Page gave as his opinion that it would take in the neighborhood of a year to build the school desired.

W. A. Winter Dies, Was Aurora Jeweller

Funeral services were held on Friday at P. M. Thompson's Funeral Home for W. A. "Art" Winter, Toronto, a former Aurora resident. A native of King township, Mr. Winter conducted a jewellery store on Yonge St. for many years as well as being Aurora manager of the Bell Telephone Company. His wife, the former May Sparling, predeceased him about ten years ago.

For the past few years Mr. Winter had been engaged in war work in Toronto. He was in his 83rd year and was a member of the United church.

The funeral service was conducted by Rev. Roy Hicks. The pallbearers were Frank Smith, Edward Smith, G. Carley, Charles Fry, D. Holden and T. Holden.

Interment was in King cemetery.

WITH THE FORCES

Sgt. Gordon Hayes, R.C.A.F., has received his discharge following nearly five years' service.

Cpl. Alan Stephenson, C.I.C., who received his discharge a short time ago, has accepted a position on the staff of the Aurora branch of the Imperial Bank.

Cpl. Harry Burge has received his discharge from the army after four years service.

LEAFS TO MEET BRUINS

Gerry Simmons' two overtime goals enabled Maple Leafs to eliminate Red Wings 5-4 and the Leafs now meet Bruins for the Aurora Lions bantam hockey title. Young Simmons netted four for his team and Wilcox got the other. The Wings scored from the sticks of Preston, McRae (2), and Tunney.

INSTAL LOUD SPEAKERS

Two reconditioned loud speakers, at a cost of $60, have been installed by the property committee at Aurora arena. They have greatly improved the acoustic properties of the arena.

MRS. E. E. ENGLISH, FORMER AURORAN, DIES

Mrs. Ernest E. English, former Aurora resident, died at Marmora on Monday. Mrs. English was born at Penetanguishene, and educated at Loretto convent in Hamilton. As a young lady she was well known as a concert singer throughout Ontario.

Before coming to Aurora in 1937 with her husband, who was manager of the local Goodison warehouse, she had resided at Regina, Toronto and Barrie. The family moved from Aurora in 1941, going to Hagersville and Hamilton, thence to Marmora. She had been in ill health for the past year, and was a member of the Roman Catholic church.

Funeral service was on Wednesday at Sacred Heart church, Marmora. She is survived by her husband, a daughter, Mrs. P. J. Keogh, New York City, and two sons, Herbert, Marmora, and George, Toronto.

MAYOR SPEAKS

Mayor Ross Linton was guest speaker at a laymen's service on Sunday evening at Kettleby United church. Raymond Marshall and William Hodgson took part in the service.

Bally-Boys, Blues Battle To 1-1 Tie In Second Game

Before one of the largest crowds to invade Aurora arena in recent years, Ballantrae and Zephyr battled to a 1-1 tie in the second game of the Aurora and district cup finals on Tuesday night. The game was a thriller all the way, featuring sensational plays by both teams, but Zephyr was lucky on the play to obtain a tie as Ballantrae dominated the game most of the way. Only the superb netminding of Smith saved the situation for the Blues in the early stages, and a penalty paved the way for the important tie. No overtime was played which caused some dissatisfaction in the crowd, but the fans got more than their two bits worth of amusement, and Zephyr is still one game up on the series which resumes tonight.

The game started almost an hour behind schedule, the heavy snowfall forcing Ballantrae to come a round about way and delaying the arrival of some of their players.

From the start of the game, the fans sensed it was a different Ballantrae team than that which absorbed a 5-1 lacing the previous game. The Whitchurch boys were really flying and led by Nick Bangay, ex-Markham junior, and the veteran Herb. Simpson, they outshot the Blues 15 to 7 in the first period. With Collings off, Zephyr was hard pressed to stave off disaster. Ballantrae had their anxious moments too as Bangay and Harper at one stage were both in the box.

In the second period, with Zephyr drawing four penalties to one for Ballantrae, the Simpson clan worked themselves into a lather without anything to show for it, Smith either blanking their best efforts, or the passes going awry before Zephyr's close checking.

Nick Bangay scored what looked like the million dollar goal at 2.42 of the third stanza, and it was a beautiful effort. Nick started slow, picked up speed, beat the Zephyr defence and fooled Smith from close in. Spencely and Harper, who did yeoman service all night on the Ballantrae defence without relief showed signs of weakening as the period progressed and Zephyr went all out as Redshaw and Harper were sinbin pewholders at the same time.

Ballantrae survived that one with the Blues missing several chances. Chub Spencely fell on the puck in the crease at 15.04 and was waved off by referee Bob Peters. This proved the break Zephyr needed. From a scramble in front of the net, Pickering fired one which Boadway stopped and let fall on the red line. As the diminutive goalie sought to clear he accidentally pulled the puck into the net to tie the game, Pickering getting credit for the counter. The shots on goal were Ballantrae 16, Zephyr 8.

It is a tough job to pick the stars. Bangay, Simpson and Spencely were dangerous throughout for Ballantrae. Ike Harper was a tower of strength at the blueline, while Redshaw made a great job of covering Mutt Collings. Wid. Clarke turned in his best show of the year. Smith draws the first star for Zephyr, and he was probably the outstanding individual performer on the ice. Joe Peat and Stan. Lunney played a sound defensive game all the way, while up front, Collings, Groves, Pickering and Arnold all had their moments. There wasn't a weak man on either team, and the brand of hockey displayed was as good as intermediate O.H.A. in other years. The fans were in an uproar throughout and a packed house should greet the teams on their next appearance.

Zephyr: goal, Smith; def., Peat, S. Lunney; forwards, C. Lunney, Collings, Arnold; subs., Groves, Smalley, Rocci, Johnston.

Ballantrae: goal, Boadway; def., Harper, Spencely; forwards, Bangay, Redshaw, Clarke; subs., Simpson, Todd, Williams, Hood.

Oakville Midgets Team Goes Down To 7-2 Defeat

Defeating Oakville A.A.A. midgets 7-2 at the local arena on Monday night, Aurora Lions midgets will carry a five-goal lead to the Halton county metropolis tonight, and, barring a miracle, despite the small size of the Oakville ice, should come through to the third round of the O.M.H.A. playdowns without too much trouble.

Aurora was full value for their win. Good net-minding by Tuck, the visiting goalie, plus over anxiety by the local kids, was all that kept down the score. Both teams were about even in size. The visiting youngsters individually displayed quite a bit of skill but lacked team play and didn't seem at times to know how to get the puck out of their own end.

Walt. Davis paced the Aurora victory with four nifty goals, but actually there was little to choose so far as the Aurora kids went. Jack Atkinson, making his first appearance on the defence, proved a valuable addition and scored a nice goal.

Davis took Bruce Rose's pass for the lone first period goal, as both teams played aimless hockey. Aurora had much the better of the play, but their passes were wasted, or they fired straight at Tuck. The deluge came in the second, Bill Wilkinson from Andrews, Davis from Rose. Ron Simmons and Davis unassisted accounted for four quickies. Kyle had to handle a few hard ones too.

Oakville drew one penalty, which didn't help their cause any. Down five goals the visitors, spurred by coach Pete Taylor, turned on an offensive which netted two goals. Bosada scored a soft one as Kyle juggled his stick, and Sythes took Ruffenstein's pass for the other.

Aurora put on the pressure now and Atkinson picked the corner on a passout to the blueline. For fully five minutes the Aurora kids kept the puck inside the Oakville blueline but just couldn't get more than one from Davis' stick. McKim and Attridge drew minor penalties.

Lloyd Minshall, Oakville, handled the referee's chore and kept things under control, but it was a clean contest all the way. Davis, Atkinson and Andrews looked particularly good on the night's play for Aurora. The lighthorse line of Attridge, Rose and G. Simmons turned in a fine effort too. For Oakville, Tuck, Cowan and Bosada played well.

Oakville: goal, Tuck; def., McKim; Murray; forwards, Currie, Cowan, Begg; subs., Clark, Bosada, B. Hill, Milligan, Sythes, Ruffenstein, Brown.

Aurora: goal, Kyle; def., Atkinson, Andrews; forwards, McGhee, R. Simmons, King; subs., Attridge, Rose, G. Simmons, Wilkinson, Cook.

Brooder House, Chicks, Are Destroyed By Fire

Fire destroyed a large brooder house and 520 young chicks at the F. J. Crawford farm on the 6th concession of King early Sunday morning.

Shortly after 7 a.m., Alfred Williamson, the farm manager, discovered the oil fire in the brooder house had burnt out. He refilled the stove, and, in some manner, a small explosion occurred and flames quickly gutted the building. Mr. Williamson, who received minor burns, had no opportunity to save the chicks.

The Aurora fire brigade made good time in answering the alarm and saved the flames from spreading to the hen-house and barn. Loss is estimated by Fire Chief Harry Jones at between five and six hundred dollars.

Funeral Services Held For Richard W. Terry

Funeral services were held at P. M. Thompson's funeral home a week ago Saturday for Richard W. Terry of the 4th concession of Whitchurch, who died at the home of his brother, Fred Terry.

Mr. Terry, who was 70, was born near Uxbridge in Ontario county. He had resided in the Gormley district most of his life. He had latterly been employed on war work, but had farmed most of his life. He was the son of the late Mr. and Mrs. William Terry and was a member of Bethesda United church.

The funeral service was conducted by Rev. R. T. Chapin, with interment at Mount Pleasant cemetery. Pallbearers were Stewart Duncan, Chauncey Connors, Richard Baycroft, Ben Langley, N. Brown and William Ash.

Woe is me! Those doggone play-offs won't be finished and in some cases started until after Simon Legree, otherwise known as ye editor, insists deadline has arrived. Guess we'll have to take a rain check on them this week but don't think we've forgotten them.

The chances of Veterans, Ballantrae, Maple, Woodbridge and Richmond Hill juniors rallying is not too good according to the attending physicians. But even doctors and hockey experts are often fooled. All of which is just as a reminder to our readers that we go into action on this column with the trusty Underwood at the weekend each week.

Sutton Greenshirts came through their intermediate O.R.H.A. A series with Oakwood (Victoria county) in fine style, taking the two games 7-4 and 5-1. Beaverton and Woodville, which played in the same group, are locked in a rural B play-off.

Coach Ellis Pringle, ex-Newmarket Redman, Marlboros, minor pro and Sutton Greenshirts, who is developing into a mighty fine curler, has a squad in action that stands a good chance of going through to a provincial title.

Leon Smith, "Smitty" to the sports fans, is going great guns for Sutton in the nets aside from his super net minding for Zephyr Blues. Smith was a standout in pre-war days but was on active service when the Greenshirts hit the O.H.A. jackpot in 1942. **Bud Gilbey**, back from overseas, has rejoined the Sutton team in their play-off drive and the husky blueliner is a tower of strength. Remember when "Bud", then a green youngster, came down to try out with Aurora juniors and just failed to click. After that he played some fine intermediate hockey.

Rex Sedore and **Bob Dunn**, two former Sutton juniors, are the main defence pair and both are real bashers. "Banker Bob" is a fugitive from the twine cage and can appreciate Smith's difficulties. **George Holborn** has blossomed forth this season as a grade A forward and along with that sensational youngster, **Skippy Taylor** (whom Richmond Hill have an eye on for next year), and **Ivan Gilbey**, they form a right smart front line. Gilbey is another ex-intermediate and also performed for Camp Borden intermediates.

"Hood" Burrows, Zeb Taylor and Snodden form the pepperpot line for the greenshirts and they are not far behind in effectiveness.

Scotch Settlement, representing the South Simcoe O.R.H.A. group, is expected to provide the next opposition for Sutton and the wise money says Sutton can take 'em. Mel Sutherland's team went through the regular schedule undefeated but had to drop out of the play-offs and let the B teams settle their issue. Stroud won that one from Schomberg and Thornton. **Dink Sutherland** is in goal for Settlement and he has done a fine chore all season. **Mike** and **Bill Skabernicky** form the first defence pair and do a rugged job. Congratulations are in order for Mike who middle-aisled it today with Miss Ruth Stone of Aurora. Joe Rocci, who plays with Zephyr and also does some whistle peeping, combines with Bill Watson for the second defence duo. The Skabernicky brothers are not the only family combination on the team. **Roy** and **Bruce Collings** are paired together on the Settlement's dynamite line and have with them "Sailor" Taylor, just returned from duty with the R.C.N.V.R. Yes, it's "Mutt" Collings of Aurora-Zephyr fame that we refer to under his proper name of Roy. **Jack Gray** heads the other regular trio with Bill Winters and John Davis as his mates and the fans figure them as good as the other line although "Mutt" is tabbed as the No. 1 player on the team. Scotty Baynes and Bob Fraser have been filling in wherever needed all year and they are mighty capable relief men.

Whether it's Sutton or Settlement to carry the district honors further, those western Ontario farm teams which have pretty well monopolized rural hockey, are not going to find things easy. Incidentally, while the O.R.H.A. does not take any cut from the play-off gates, an entry fee a group is $3 plus a head tax of two bits per player on each team.

Jack Wheeler, who for three years was one of the most popular players on the Newmarket camp team, has been running into more than his share of hard luck as a civilian. First of all he suffered from poor health for some months. Next his three-year-old son died and then a puck broke his ankle and put him out of the game for the season with the powerful Collingwood Shipbuilders.

Nip Spooner, another Collingwood product who played with A-9 Rams in hockey and left Aurora just prior to the opening of the hockey season, has been transferred back to Camp Borden and will likely see some hockey action with his home town.

Hank Galbraith, who started the season with Richmond Hill in junior B and then was relegated to junior C with his hometown, Oakville, against his wishes, is playing a bang-up game for Oakville juniors who are currently playing Paris juniors in the play-offs. Kemp, Savage and one or two others who played in B last year with Port Credit are all playing in C this year with Oakville. Hardly makes sense.

Councillor Stewart Patrick made a nice gesture the other night when after the Bradford-Aurora juvenile game he entertained the Aurora juvenile team in the Aurora firemen's clubroom. The kids really went for the sandwiches, pop, pickles and stuff. Stew has refereed all the Lions games this season for free. **Cliff Bernardo**, whose brother-in-law, young **Eric Smith**, played a swell game this winter in the nets for Aurora juveniles, made another gesture that pleased the Aurora kids. He dipped in his pocket and bought a blanket to cover the youngsters sitting in the box and it's been plenty cold this winter.

"Never again" says **Leonard Simmons** who heads the Aurora minor teams as he refers to playing boys on more than one team over the season. Ronnie Simmons, Bill McGhee and Walt Davis all did the ironman stunt this season, being young enough to play midget and good enough to play juvenile. When the chips were down for keeps except for Davis, neither of the other two were able to give their best. In addition to playing a double schedule in the kids' league, they also performed for Aurora high school. A bit too much hockey. The trio are still in high gear with Aurora midgets who meet Oakville this week and they should do much better.

Dodger Collings deserves an orchid for his fine coaching of the Bradford juvenile team which will take some beating in the C series. Bradford came along fast at the end of the season after originally being entered as a midget team. The netminding of Dyce James, younger brother of Fat James of Aurora junior halycon days, was especially good and the addition of **Chuck Boycroft** from Stroud made a big difference as the northern youngster scored plenty of pay-off goals. Down this way he has been referred to as **Boycheff**, but our Barrie friends inform us Boycroft is the correct spelling and poor writing on the score sheet caused the wrong spelling. Understand that Boycroft is a member of the Stroud junior team which has a bye in the rural junior series. This of course does not affect his eligibility for the juvenile series.

Jack Atkinson, husky Hill youngster, has been okayed by the O.M.H.A. executive for the Aurora team and the big boy played a standout game against Oakville kids. Atkinson is not far off junior hockey in ability. Unless we miss our guess, the Babcock-Holloway youngsters will go a long way in the midget series.

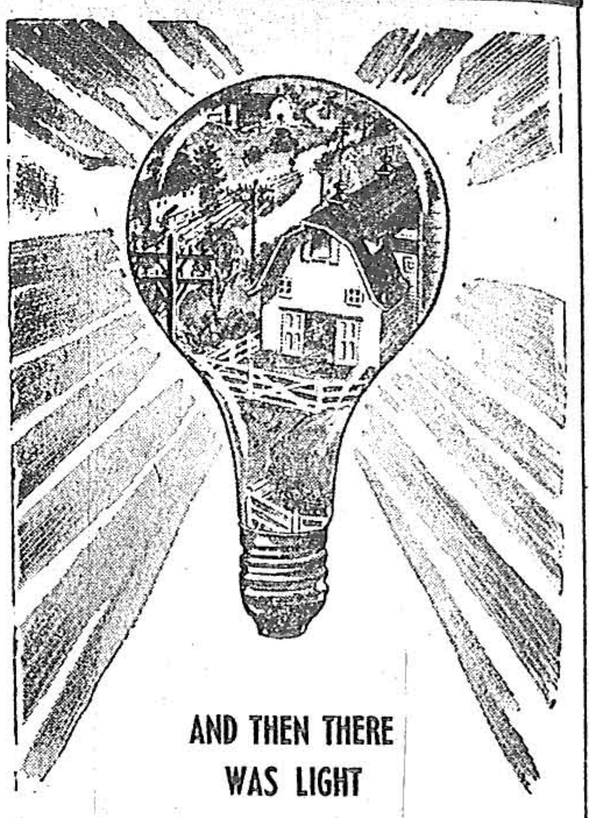

It is time and we're not making a pun either, that steps were

"NERVES" She Called It

Losing interest—losing friends—she never went out any more—always too tired. "Nerves", she thought—but it was her kidneys—the filters of her blood—that needed attention. She used Dodd's Kidney Pills at once. The improved action of her kidneys helped to clear away blood impurities and excess acids. Fatigue, backache, headache, lack of energy disappeared. Dodd's Kidney Pills contain essential oils and medicinal ingredients that act directly upon the kidneys—and help restore their normal action. 144

AND THEN THERE WAS LIGHT

Because Thomas Edison provided the key that fit into the lock opening the door to electrical science—we have light 24 hours a day. Hard, manual labor is now done by electrical machines—swifter, better, more economically than man could do it. And in your homes, factories, on your farms—the current of electricity makes your life easier—more pleasurable. Soon you can purchase those electrical appliances you want—the electrical equipment you need. Come in and select your electrical needs from us.

The Long Distance Load has more than DOUBLED . . .

DAILY long distance telephone calls in 1939 (as war broke) were 60,000.

In 1945 (as war ended) they had mounted to 127,000 a day. And the volume is still rising!

Because of wartime shortages, we have not been able to provide the additional circuits and equipment we need. Construction now under way will relieve that situation shortly. We must, meanwhile, continue to ask your help.

When you place a call...

FIRST, give the operator the name of the distant city...

THEN, the telephone number of your party...

THEN, when the operator asks it, your own telephone number.

(Please avoid unnecessary details, especially if you know the distant number.)

If you don't know the distant telephone number, please make a note of it for future use when you hear the operator repeat it.

This is one way YOU CAN HELP PROTECT LONG DISTANCE IN THE INTERESTS OF EVERYBODY'S SERVICE

MRS. W. A. DOAN DIES IN HER 96TH YEAR

There passed away on Thursday, Feb. 21, one of the oldest residents of the district in the person of Mrs. W. A. Doan. Mrs. Doan was in her 96th year and had lived with her granddaughter, Mrs. Harry Smith, for several years.

In her younger years she was an active worker in the Presbyterian church of Queensville, and as a neighbor she was always ready to do her part when the need arose.

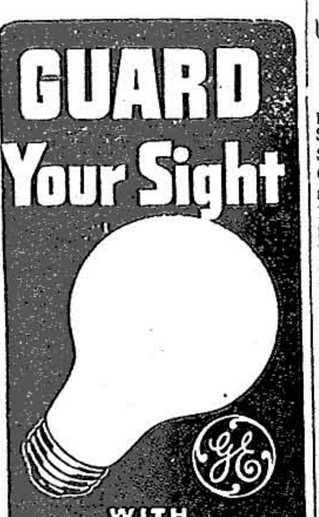

The funeral was held from the Strasler funeral home on Saturday and was conducted by Rev. H. Shannon. She leaves to mourn her loss one son, Dr. Ross Doan, school inspector, Richmond Hill, and two daughters, Mrs. Wm. Eves (Minnie), of Queensville, and Mrs. C. Thomas (Kathleen), of Toronto. Seven grandchildren and eight great-grandchildren, one sister, Mrs. Sutherland of Toronto, and one brother, Ira Crittenden,

"THE BRAY CHICK DOES THE TRICK"

BRAY CUSTOMERS TELL US

Last year Mrs. Walter Donald, Summer Hill, N.B., got 309 Bray Chicks. This year she wrote us: "I only lost 3 of the 309. The cockerels averaged 6¼ lbs. dressed at 6 months. The Bray Chick sure 'does the trick'."

HEAVY BREED AND CROSS-BREED COCKERELS NOW AVAILABLE

W. J. Burke, Sydenham, Ont., writes: "Never had such quick maturing birds before." Eric Lindquist, Osborne, Man., reports: "Wonderful luck—be sure I will stay with Bray Chicks from now on." Mrs. H. Burrows, Courtice, Ont., writes: "I have had less trouble with this lot than with any other chicks I ever bought." Donald B. Gordon, Bonshaw, P.E.I., says: "Very satisfactory—laying well all winter."

That's the kind of letter we like to get—and we get a lot of them! Wouldn't chicks of the stamp that makes people write such letters suit you? To make the most of this year's real poultry profit opportunity, you will want really good chicks; and Bray Chicks have proved all across the country that they have the stuff to "do the trick".

UNITED CHURCH WEDDING SCENE

A very pretty wedding took place in the United church last Saturday when Miss Shirley Smith was united in marriage to Cecil Gummer of Warwick. The marriage was performed by Rev. H. Shannon and Miss Ruby Strasler sang O Promise Me and Because. After the ceremony the reception was held in the Sunday-school room of the church where a dinner was served to the wedding party and guests.

The happy couple are spending their honeymoon in Hamilton and the United States.

KESWICK

KESWICK JUNIORS WIN LEAGUE CUP

Playing in the junior section of the Sutton church league, Keswick boys went through their schedule undefeated and then took their two play-off games handily. Six of their eight victories were shut-outs. The junior section was for boys 14 and under.

The team was composed of Bernard Kay (goal), Fred Thompson, David Huntley, Bob Atchison (defence), Murray Chandler, Danny McGenerty, Gordon Clark, Alan Walker, Bill Henry, Donald Harper and Melvin Sedore (forwards). Wm. Purdy was coach and Ralph Henry, who acted in the same capacity for the senior boys' team, was manager-treasurer.

Messrs. Purdy and Henry have donated a new cup to the league. It is to be for 14 and under competition. Their own team will hold it for the first year.

Keswick's entry in the senior section, coached by Austin Huntley, made a good showing in their games (three ties and three defeats) but found the Catholic and United teams a little too big for them this year. Catholics, with a well balanced team, placed first and won the play-offs to become the new holders of the Torrens cup which Keswick boys had last year.

Miss Doreen Smith, who broke her collar bone in a tobogganing spill in Toronto, is now convalescing at home.

Mr. Clinton Cowan, O.A.C., Guelph, was the weekend guest of Mr. and Mrs. Geo. White.

Miriam and Morlene Carscallen, Toronto, were guests of their cousin, Mrs. Gordon Lapp, last Saturday and Sunday.

Mr. and Mrs. Kenneth MacKinnon, Toronto, recently visited the home of Mr. MacKinnon's parents, Mr. and Mrs. Archie MacKinnon.

Lillian and Patti Connell, Toronto, were home for the weekend.

George Robertson, Newmarket, was the recent guest of Martin Lapp.

Mrs. J. H. Prosser continues to be a patient at York County hospital, Newmarket.

In celebration of their silver wedding anniversary, Mr. and Mrs. Ralph Henry entertained some 30 guests at dinner on Feb. 16. Guests of honor were Mr. and Mrs. Carl Kellington, who were observing their 19th wedding anniversary that same day. The two couples have celebrated together in past years but Mr. and Mrs. Henry felt that a 25th anniversary called for some expansion of the festivities.

During the evening it was recalled that the weather of Feb. 16, 1921, was no better than than of 1946. Feb. 16, 1927, was a mild day with a soft snow storm. On that date Mr. and Mrs. Kellington were the first bridegroom and bride to be married in the Keswick United manse, which had been built a short time before.

Mr. and Mrs. Henry were the recipients of a number of beautiful and useful gifts in silver.

The Elmhurst Institute will meet at Mrs. J. Hirst's home March 6. Roll-call will be "Impersonations." Mrs. T. Lowndes, district convenor for historical research, will be the speaker. Mrs. Selby Sedore will demonstrate how to cure bacon at home. The refreshment committee is Mrs. Pollock and Mrs. Anderson.

COUPLE WILL LIVE IN ZEPHYR

A pretty wedding took place at Zephyr on Saturday, Feb. 16, when Delia June Geraldine York, daughter of Mr. and Mrs. Amos York, Brownhill, became the bride of Clifford Morley Leitch, son of Mr. and Mrs. Levi Leitch, Zephyr. Rev. A. F. Bamford officiated.

The bride wore a pale blue silk crepe dress with black accessories. Her flowers were white roses. She was attended by Miss Grace Evelyn Leitch, who was gowned in a pale blue crepe dress with a corsage of white roses. The best man was Carl Blake Elliott.

Following the wedding, the reception was at the bride's home, Brownhill. The bride's mother received in a teal blue dress, assisted by the groom's mother in black crepe with pink accessories.

For travelling the bride wore a pale green wool dress. On their return from a honeymoon in Toronto and points south they will reside at Zephyr.

PLEASANTVILLE

There will be a quilting at Bogarttown school on Saturday, March 2. All members try to come as several quilts are to be done. All are requested to go in the morning and take their own lunch.

The red brick house and a few acres of land on the Howlett farm have been sold.

Mrs. Doug. McClure and little Roger, and Miss Joyce Van Luven spent Saturday with Mr. and Mrs. D. Coates, Sharon.

Miss Dora McClure spent the weekend with her uncle and aunt, Mr. and Mrs. C. Peterson, Aurora.

Mrs. A. Tucker of St. Andrew's College, Aurora, had Sunday night tea with Mrs. G. McClure.

Miss Florence Tucker, Toronto, spent the weekend at the Stickwood and Walker home.

Mr. and Mrs. John Tate, Kirkland Lake, spent several days last week with Mr. and Mrs. Wm. Walker.

Mr. and Mrs. Harry West, Mrs. E. Ewart and Miss Ewart spent Friday in Toronto.

In Memoriam

Castle—In loving memory of our darling mother, Edna Castle, who passed away so suddenly February 25, 1945

We do not forget her,
We loved her too dearly
For her memory to fade
From our lives like a dream,
Our lips need not speak
When our hearts mourn sincerely
For grief often dwells
Where it seldom is seen.
Too dearly loved to ever be forgotten, daughter, Marion, and son, Jim.

Castle—In loving memory of a dear mother, Edna Castle, who passed away February 25, 1945.

God led you through the valley
Into pastures ever green,
He led you with a kindly hand,
Your suffering He had seen.
A wonderful mother, kind and true,
Always ready to help us through.
We miss you most who loved you best,
But dearest mother, you've earned your rest.
Sadly missed by daughters, Edna and Irene, and son-in-law, Cyril.

Foster—In loving memory of a dear wife and mother, Wilda Foster, who passed away February 28, 1945.

Just when your life was brightest,
Just when your years were best,
You were called from this world of sorrow
To a home of eternal rest.
You left sweet memories to blossom,
Bearing fruit for the years to come
In the lives of those who loved you,
Precious memories of days that are gone.
Sadly missed, Bill, son and daughter.

Foster—In loving memory of a dear friend, Wilda, who passed away February 28, 1945.

In our hearts your memory lingers,
Sweetly tender, fond and true;
There is not a day, dear Wilda,
That we do not think of you.
Gretta.

Foster—Wilda Winkworth Foster, who passed away February 28, 1945.

In our home she is fondly remembered,
Sweet memories cling to her name;
Those who loved her in life sincerely,
Still love her in death just the same.
Mom and dad, sisters and brother.

Hirst—In loving memory of Agnes M. Hirst, wife of Walter A. Hirst, who passed away March 2, 1942.

Time may heal the broken hearted,
Years may make the wound less sore,
But it cannot fill the longing
For the loved one gone before.
Who shall say the grief is lessened
Though the smile may hide the years?
Memories keep the wound still open
Despite the passing of the years.
Sadly missed by husband, Walt.

Horner—In loving memory of a dear wife and mother, Velma Horner, who passed away March 1, 1945.

The depths of sorrow we cannot tell,
Of the loss of one we loved so well,
And while she sleeps a peaceful sleep,
Her memory we shall always keep.
Lovingly remembered by husband and daughter, Laura and Reta.

King—In loving memory of our father, W. H. King, who passed away March 6, 1945.

Only a grave but it still needs care
For the one we love is resting there,
Sweet flowers we lay upon his breast,
Placed there by those who loved him best.
Ever remembered by Art and Dora.

King—In loving memory of my dear husband, W. H. King, who passed away March 6, 1945.

I think of him in silence,
His name I oft recall,
There is nothing left to answer
But his picture on the wall.
Wife.

McBride—In loving memory of a dear husband and father, James A. McBride, who passed away March 1, 1942.

Sweet to remember him who once was here
And who, though absent, is just as dear.
Wife and family.

taken both at Aurora and Newmarket rinks about the time clock supplied by a firm. Last fall parts were removed for repairs and so far, it is intimated, that these have been unobtainable owing to scarcity of materials. It is too late now for this season but a reminder that the clocks should be fixed or the space offered to another firm would probably get results. Just in case you're interested, several rinks we know about have obtained either new or secondhand clocks this season.

Fink Tunstead and **Harry Caradonna** are continuing their hockey activities with Barrie Colts who won their group last week, defeating Owen Sound Greys in the final. The Colts have a club capable of going a fair distance and **Red Farrell**, well and favorably known in these parts as a referee, has taken over the coaching job. He succeeds Eddie Burke, ex-Armored Corps hockeyist who differed with the Barrie management.

Burke is not the only coach up north to go. First Owen Sound seniors ousted Jack Markle and then Piper Bain of lacrosse fame succeeded the Owen Sound junior coach. Next **Jack Rutherford**, who for years has been handling the **Midland** intermediate teams and is well known down this way, disagreed with his players and he has been succeeded by **Bev Scott**, veteran defence player. The changes do not appear to have hurt the chances of any of the teams.

Herb. Carnegie, the negro lad from Willowdale, is in second place in the Quebec senior scoring race with 67 points made up of 42 goals and 25 assists. Ossie Carnegie, his elder brother, who played lacrosse with Thornhill juniors in the Tri-County league, has a 42-point total. Both boys are with Sherbrooke. Another negro lad who is coming along nicely at the winter game is **Howard Sheffield** of Collingwood, who plays with Barrie in junior B. He has several years left, too. As yet a negro player has never played in the N.H.L. and the chances are remote considering the number playing hockey.

It is only this year that a negro will be given an opportunity of playing class A baseball, Montreal Royals having broken the ice and signed two darkclouds. Their life is not likely to be very pleasant in the International League. "Deep are the roots," but in Canada the few negro boys who have played have been well received by fans and fellow players.

No overtime games are allowed under the rules of the North York secondary school league so that two regulation tie games between the junior basketball teams from St. Andrew's College and Richmond Hill high, both won in the extra periods by the Hill, go into the books as split points. The ruling leaves the title still wide open with every team, 'specially the three high schools, having a chance to cop the cup. It's the closest race in years. In the senior series, Aurora and Richmond Hill are tied, but Newmarket, by defeating both, can make it themselves if Aurora beats the Hill. See what I mean about those ifs and buts.

Newmarket camp has a pretty fair cage squad this year, not the best the camp's seen but still good. They have broken even with St. Andrew's and Richmond Hill, lost two to Aurora, and walloped Orillia camp. **Russ Eldridge**, one of the old timers at the camp, is playing sweet ball this year but it is **Les. Slinger**, ex-Guelph O.A.C. player, who catches the eye. Slinger is a fancy Dan on the court 'specially under the basket. **Tiger Lee** of soccer fame, and trainer for the hockey team, is going good despite his short stature.

Vic. Reynett, the heavy set Ottawa boy who is a standout in any company when in shape, has been handicapped this season by an injured foot but he still gets around and can pot them from way out. Dick Padgett from Port Credit, Mickey Narduzzi, Timmins, Jim "Big Fish" Whale from Toronto, Gordy Kendell from the Soo, and the old reliable Jack Life — whoah there Mr. Typesetter, let's put that in eight-point Caps — JACK LIFE, of hockey renown, also cavorts on the court when he gets the chance. Doesn't seem as if M.D. 2 will furnish any opposition in basketball or in hockey either, which leaves the boys at No. 11 I.T.B. fairly high and dry on the sports front. However they aren't worrying much as faces change hourly.

Play-offs. Unless play-off games are necessary at Aurora or Newmarket on Thursday night, the inter-town series will start at Newmarket on Thursday night. The third game in that series has not been decided upon, but chances are strong for Newmarket where the oola is a bit more potent. Watch the billboards is all we can say definitely and that goes for the **Aurora Lions Midgets** too, though we think you can catch them in action next Monday.

MAGISTRATE'S COURT

POSSESSION CHARGE BRINGS $100 FINE

A fine of $100 or three months was the penalty meted out to Glen Davis, Newmarket, when found guilty of illegal possession of liquor in magistrate's court here Friday. Accused was charged with having bought three cartos of beer on liquor books not his own. Davis denied having signed the purchase orders for the beer. Magistrate J. E. Pritchard presided.

Two charges against Thomas Laws were dismissed by Magistrate Pritchard who said that the charges, one of intent of defraud and one of theft, should never have been brought against accused. Harry Goodman testified that accused obtained merchandise from him December 26 and gave a cheque for $1,375. When the cheque was later presented, he said, it was refused for lack of sufficient funds.

Accused said that he had given the cheque to Goodman with the understanding that Goodman would hold the cheque for a while because he was being financed by an oil firm and funds had not yet been placed in his account. A statement of accused's account showed that sufficient funds to cover the cheque were deposited following the transaction.

On the charge of theft, Mr. Glover said that he had given Laws a calf to take to the stockyard and that Laws had never paid for the calf. Laws said he took the calf to the stockyard and presented a receipt for delivery of the calf.

Leslie McMain was found guilty of driving without due care and attention and was fined $10 and costs. George Haycock testified that his car was struck by the accused's on Yonge St. near Armitage when accused, travelling north, made a left hand turn without any signal. McMain testified that he had pulled over to the right side of the road in order to let four cars pass him and then had turned left. He said he had seen Haycock's car but that it was some distance down the road.

A charge of cruelty to horses against Bruce Hoover was dismissed when Hoover testified that while he owned the horses, their care was in other hands. Tom Port, Sutton, was found guilty of assaulting his wife and was remanded a week in custody. Viola Port, accused's wife, testified that her husband came home drunk and struck her in the face.
